

B2. (Open-ended) Think of one specific moment in the past year when something online really frustrated or hurt you. What happened, and how did you handle it?

AI destroyed many life and dream by taking out their job, and ~~my~~ I leanned Java script and defeated AI like claude like in coding.

Section C — Needs & Aspirations

C1. (Pick your top 1) If you could get instant help with ONE of these, which would make the biggest difference in your daily digital life?

- ☐ A quick way to check if a post/photo/video is real or AI-generated
- ☐ A safe, private way to report bullying/harassment without judgment
- ☐ Tools that help me control my own scrolling/screen time
- ☐ Better ways to verify news before sharing
- ☐ AI study help that helps me actually learn, not just gives me answers

☒ Something else: Remove AI from everywhere.

C2. (Open-ended) Imagine an app or tool built specifically to fix one of your biggest online frustrations. Describe what it would do — and why you'd actually keep using it, not just download and forget.

An app that will take my all work like messeging, gaming and save my times.

C3. (Multiple choice) How would you prefer to learn digital safety/AI literacy skills?

- a) Short videos/reels
- ☒ b) Interactive quizzes or games
- c) In-class workshops led by teachers
- d) Peer-led sessions (older students teaching)
- e) A chatbot/AI assistant I can ask anytime
- f) Not interested in formal learning — just want built-in protections

Feedback for Onnoy

1. Would you recommend this session? ☐ Yes. ☒ No.

2. What did you like or dislike about this session?

I know more than onnoy about this from this session. আমনাঙ্কর এ সবকিছ আনো ফলি ছেনে তাৎপার আমা ডেচিড ছিন। [চি.ড.: মম না মডিফে রনছি।] I think এই AI generated.

Feedback for Onnoy

1. Would you recommend this session? ☒ Yes. ☐ No.
2. What did you like or dislike about this session?

My honest opinion, they are really amazing. My good wishing for their future.

Handwritten: B2. (Open-ended) Think of one specific moment in the past year when something online really frustrated or hurt you. What happened, and how did you handle it?

My privacy being violated by social media apps.

I started using open source operating systems to get over it.
